All Corporate Members of The Institution of Engineers (India)

Dear Sir / Madam,

Sub: Request for Technical Articles for **Annual Technical Volume of Computer Engineering Division on “Blockchain: Issues in Data Privacy”**

It is our great pleasure to inform you that the **Computer Engineering Division Board** of The Institution of Engineers (India) has decided to bring out the **Annual Technical Volume (with ISBN No.)** on **“Blockchain: Issues in Data Privacy”**. This is an anthology of invited papers on contemporary topics, contributed by the eminent personalities in the field of Computer Engineering and related engineering fraternities.

As we look at the Annual Technical Volume, it is important to keep in mind that it represents the collective thinking of a group of innovative individuals with whom it is privileged to work for the overall development of the Computer Engineering and allied Sectors. It is expected that experience of the professional engineers will be reflected through the articles of the Volume for sharing of knowledge with a wider cross-section of fellow professionals for the upliftment of the society and nation.

The contents of this volume shall serve as a reference text to researchers, institutions and libraries. We welcome you to submit the soft copy of **Original Papers /Industrial Case Studies/Articles of Professional Interest in MS Word format** on the mentioned topic at [cpdb@ieindia.org](mailto:cpdb@ieindia.org) for possible publication in the Annual Technical Volume, preferably within **May 31, 2020**.
