### **Abstract**

Projects in different organizations vary according to the culture and the resources available during a particular time. Every person, every team, and every organization is unique, therefore process frameworks must provide choices that help the team to design their way of working. These customized ways of working to decide the success of projects in an organization.

### **Dr Krishna Kumar T I**

An award-winning entrepreneur who excelled in some of the biggest Information Technology MNCs, leading portfolios/ programs of multi-million-dollar value. Having 19 years of experience in Project Delivery Leadership, Sales, Account Management, Program Management, Business Analysis and Training spanning multiple industries including Industrial, Communication and Public Sector. With years of international experience, Krishna brings an unique positive perspective to project management.

Leading diverse remote teams by day and managing an all-volunteer staff at PMI Kerala Chapter, Krishna has gained a depth and insight into leadership and positive project management. Being a Ph.D. in management and Alumnus of India's best Management institute – Indian Institute of Technology - Calcutta, he has astonishing approach about leadership and project management. His concept of “productive utilization”, “cluster teams” and “adventure management (positive risks)” has bagged many accolades from the experts in the industry.

Motivational speaker and visionary academia who has been nominated as Expert Member of Board of Studies for Business Management at Amrithvidya Peetam. He has been a board member of PMI Kerala chapter from 2011 and elected as chapter president.

His projects were awarded the Runner up award for the PMI India Best Project of the Year in 2012 and awarded IBM's distinguished project of the year 2011. IBM awarded him with the Best Project Manager, Best Account Manager titles and with SPARK and ORION awards continuously year after year for the extra ordinary performance. IBM awarded him with “special business award” for winning some of the valuable logos.
